

## Session 3: Make a bracelet

As a final craft, why not make a little bracelet to help you remember that God loves you, that he will always care for you, and can always be trusted.

### You will need:

- Coloured beads
- Letter beads (to spell out 'Trust God' / 'God Cares' or similar)
- Elastic
- Scissors

### Instructions:

- Use the beads to plan your bracelet design.
- Thread the beads onto the elastic.
- Tie the elastic into a circle that is big enough to fit over your hand.
- Cut off any excess elastic.

(But with different lettering!)
