

## At-Home Holiday Club: Session 3

### Overview

This third and final session focuses on the storm being calmed by Jesus – he is where we can find true peace and safety.

The bible verses for today are: 'He got up and ordered the wind to stop. He said to the waves, "Quiet! Be still!" Then the wind died down. And it was completely calm. He said to his disciples, "Why are you so afraid? Don't you have any faith at all yet?" They were terrified. They asked each other, "Who is this? Even the wind and the waves obey him!"' – Mark 4:39-41

We will learn how Jesus is the Son of God, that's why he can control nature, with only using 3 words. And because Jesus is the Son of God, we don't have to worry about anything – he loves us and wants to be our friend.
